**TOWN WARRANT
STATE OF NEW HAMPSHIRE**

To the inhabitants of the Town of Francestown, in said County of Hillsborough, in said State, qualified to vote in Town affairs:

You are hereby notified to meet at the “Red School” in said Francestown on Tuesday, the Fourteenth day of March next, at 10:00 o’clock in the forenoon to act upon the subjects hereinafter set forth. The voting on Articles 1 and 2 will be by official ballot, and the polls shall be open for balloting on said date at 10:00 o’clock in the forenoon and shall not close before 7:00 o’clock in the evening.

Article 1.

To choose all necessary Town Officers for the ensuing year.
(By Official Ballot)

Article 2. (Animal Care and Training)

Are you in favor of amending Article 7.6 of the Francestown Zoning Ordinance to further clarify and regulate businesses involved in the breeding, boarding, and/or training of animals?

(By Official Ballot)

If approved, persons/businesses breeding a female dog or dogs resulting in 2 or more litters in any 12-month period or advertising/promoting the operation or its professional services would be required to obtain a special exception from the Zoning Board of Adjustment and site plan approval from the Planning Board
The Planning Board voted 6-1 in favor of recommending this proposal.

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the Eighteenth day of March next, at ten of the clock in the forenoon, at which time the town will act on the following subjects.

Article 3.

To raise such sums of money as may be necessary to defray town charges for the ensuing year and to make appropriations for the same.

Article 4.

To see if the Town will vote to raise and appropriate the sum of Two Hundred Seventeen Thousand Five Hundred One Dollars (\$217,501.00) to be placed in the Capital Reserve Accounts, to be allocated as follows:

Future Replacement of Fire Trucks	\$50,000.00
Future Replacement of Fire Equipment	5,000.00
Future Establishment of Fire Ponds/Dry Hydrants	1,000.00
Future Replacement or Purchase of Hwy. Equip.	70,000.00
Future Replacement of Police Cruiser	15,000.00
Future Purchase or Improvement of Recreation Lands	7,000 .00
Future Town Building Improvements/Acquisition	30,000.00
Future Town Road Improvements	1.00
Future Replacement of Town Bridges	11,500.00
Future Improvement of Cemetery	8,000.00
Future Library Building	20,000.00

or take any other action relating thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1) recommend this appropriation.

Article 5.

To see if the Town will vote to raise and appropriate the sum of One Hundred Twenty-Five Thousand Dollars (\$125,000.00) to plow the snow and provide ice control for the sidewalk on Main Street, from the Old Meeting House northerly to the property owned by Charles and Helene Harbage, by either contracting out the services required or purchasing the equipment necessary to remove and treat the sidewalk and hiring additional part time personnel to provide the service, such sum to raised by taxation, or take any other action relating thereto;

The Selectmen and the Budget Advisory Committee do not recommend this appropriation.

Article 6.

To see if the Town will vote to raise and appropriate the sum of Two Hundred Seventy Five Thousand Dollars (\$275,000.00) to continue the reconstruction in a northerly direction of the 2nd NH Turnpike South from the bridge crossing the South branch of the Piscataquog River to the Junction of Route 136 at the town center, such sum to be raised by the withdrawal of One Hundred Seventy Five Thousand Dollars (\$175,000.00) from the Capital Reserve account entitled "Future Town Road Improvements", and One Hundred Thousand Dollars, (\$100,000.00) to be raised by taxation, or take any other action relating thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1) recommend this appropriation.

Article 7.

To see if the Town will vote to raise and appropriate the sum of Forty Two Thousand, Eight Hundred Forty Dollars (\$42,840.00) to erect a stone wall fence in front of cemetery #3 from the southern end boarded by the drainage ditch to the entrance to the new section at the northerly end, such sum to be raised by the withdrawal of Twenty Five Thousand Dollars (\$25,000.00) from the Capital Reserve account entitled "Future Improvement of the Cemetery", and accepting private donations designated for the erection of the Stonewall Fence in the amount of Seventeen Thousand Eight Hundred Forty Dollars (\$17,840.00), or take any other action relating thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

Article 8.

To see if the Town will vote to raise and appropriate the sum of Twelve Thousand Dollars (\$12,000.00) for the treatment of invasive milfoil in Scobie Pond (aka – Haunted Lake), such sum to be raised by taxation, or take any other action relating thereto;

The Selectmen and a majority of the Budget Advisory Committee (4-1) recommend this appropriation.

Article 9.

To see if the Town will vote to increase the number of Library Trustees from three to five in accordance with RSA 202-A:6, with the two new Trustees having 3-year staggering terms, and with the first terms, appointed in accordance with RSA 669:75; ending in March of 2008 and 2009, or take any other action related thereto;

Article 10.

To see if the Town will vote to allow conservation easements to be placed on town-owned land to include a 51+/- acre lot on Crotched Mt. known as Tax Map 7, Lot 2 of 51+/- acres (includes 50 acres recently added to lot 2 by lot line adjustment), and 200+/- acres on East Road known as Tax Map 4, Lots 3,4,11, and 16, and also on two lots located on Farrington Road known as Tax Map 1, Lot 10 of 25+/- acres and Lot 16, 1 of 17+/- acres, allowing the Conservation Commission discretion with the wording of and with the holder of the easement subject to approval of a majority of the selectmen, or take any other action related thereto;

Article 11.

To see if the Town will vote to modify the vote of the 2003 annual meeting on Article 16 relative to conveying a conservation easement on the property known as Tax Map 8 Lot 76 by authorizing the sale of up to one acre of land to the property owners of Tax Map 8 Lot 77, upon such terms and conditions as the Board of Selectmen shall determine shall be in the best interests of the Town, or take any other action related thereto;

Article 12. (By Petition)

To see if the Town will vote to raise and appropriate the sum of Three Thousand Dollars (\$3000.00) for the purpose of funding the Grapevine Family and Community Resource Center programs and services for the people of Antrim, Bennington, Fracestown and Hancock, (this amount represents Fracestown's portion of the funds needed to support the Grapevine), such sum to be raised by taxation, or take any other action relating thereto;

The Selectmen and the Budget Advisory Committee recommend this appropriation.

Article 13. (2/3 Vote Required)

To see if the Town will vote to change the designation of the Capital Reserve account entitled "Future Replacement of Town Bridges" to "Future Repair and Replacement of Bridges", as defined in RSA 234:2, or take any other action relating thereto;

Article 14.

To transact any other business that may legally come before said meeting;

**Given under our hands and seal this 30th day of January, in the year
or our Lord, two thousand six.**

Stephen B. Griffin, Chairman

Paul A. St. Cyr

William F. McAuley
Selectmen of Fracestown

Board of Selectmen Annual Report

Your Board of Selectmen are pleased in terms of the \$1,209,744.00 appropriated operating budget, \$22,422.00 or 1.85%, remained in the general fund unexpended.

In terms of capital expenditures the Board has made the vehicle purchases and fund transfers that were approved at Town Meeting. Several of these purchases have been completed under budget. The salt shed was completed on time and \$8,876.00 under budget; the police cruiser was purchased and \$1,347.00 under budget and the Fire Department's pumper, while including several design upgrades, was still completed \$24,973.00 under budget. This was possible by paying early in the truck assembly process and protecting the Town through a performance bond.

In other matters, the authorized transfer of land with Crotched Mountain Maintenance Corporation has not taken place. Although Crotched Mountain Maintenance Corporation has approved the transfer, the Town still needs to have the parcel surveyed and finalize the agreement between both parties.

The Board dedicated a portion of its effort this year in developing a stronger personnel management system. The Town now has in place a written personnel policy, job descriptions and a merit pay plan. The pay plan was based on a review of wages, salaries and benefits for small towns throughout New Hampshire. The Board will utilize these adopted job descriptions; evaluation procedures and this pay plan for the first time in 2006. The proposed 2007 wages and salaries will, therefore, reflect this. The Board hopes that these actions will provide positive results, beneficial for both the Town and its employees.

Respectfully submitted,

Stephen B. Griffin, Chairman
Paul A. St. Cyr
William F. McAuley

January 23, 2006

To the Board of Selectmen
Town of Franconstown, New Hampshire

We have audited the basic financial statements of the Town of Franconstown, New Hampshire as of and for the year ended December 31, 2005, and have issued our report thereon dated January 23, 2006.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the basic financial statements are free of material misstatement.

The management of the Town of Franconstown, New Hampshire is responsible for establishing and maintaining an internal control structure. In fulfilling this responsibility, estimates and judgments by management are required to assess the expected benefits and related costs of internal control structure policies and procedures. The objectives of an internal control structure are to provide management with reasonable, but not absolute, assurance that assets are safeguarded against loss from unauthorized use or disposition, and that transactions are executed in accordance with management's authorization and recorded properly to permit the preparation of general purpose financial statements in accordance with auditing principles generally accepted in the United States of America. Because of inherent limitations in any internal control structure, errors or irregularities may nevertheless occur and not be detected. Also, projection of any evaluation of the structure to future periods is subject to the risk that procedures may become inadequate because of changes in conditions or that the effectiveness of the design and operation of policies and procedures may deteriorate.

In planning and performing our audit of the general purpose financial statements of the Town of Franconstown, New Hampshire for the year ended December 31, 2005, we obtained an understanding of the internal control structure. With respect to the internal control structure, we obtained an understanding of the design of relevant policies and procedures and whether they have been placed in operation, and we assessed control risk in order to determine our auditing procedures for the purpose of expressing our opinion on the general purpose financial statements and not to provide an opinion on the internal control structure. Accordingly, we do not express such an opinion.

Our consideration of the internal control structure would not necessarily disclose all matters in the internal control structure that might be material weaknesses under standards established by the American Institute of Certified Public Accountants. A material weakness is a condition in which the design or operation of one or more of the internal control structure elements does not reduce to a relatively low level the risk that errors and irregularities in amounts that would be material in relation to the general purpose financial statements being audited may occur and not be detected within a timely period by employees in the normal course of performing their assigned functions. We noted no matters

involving the internal control structure and its operation that we consider to be material weaknesses as defined above.

This report is intended for the information of management and the Board of Selectmen. However, this report is a matter of public record, and its distribution is not limited.

Vachon, Chabrey & Co., PC

Breakdown of calls

Fires –

- Auto - 0
- Automatic fire alarms – 6
- Brush – 6
- Chimney – 1
- Smoke investigation – 5
- Structure – 2

Rescues –

- Accidents – 19
- Helicopter Transports - 2
- Medical – 37
- Water – 0

Hazmat - 11

- Mutual Aid – 24
- PSNH – wires down – 19
- Drills/Training – 24
- Fire Prevention Demos – 1
- Meetings – 12
- Sunday morning radio check – 48
- Work Details – 33
- Other – 4

The fire department responded to a total of 129 emergency calls during 2005 (56 rescue calls, 73 fire calls) – this does not include non-emergency activities – such as monthly meetings, trainings and drills.

We have 31 active volunteer members, including 14 basic Emergency Medical Technicians, 3 intermediate EMTs and 1 Paramedic.

Thanks to the many generous donations we received we are in the process of purchasing a “Jaws of Life” rescue tool.

The new replacement fire truck is scheduled to be delivered around the middle of March.

Respectfully submitted,

Donald C. Abbott
Fire Chief

**AUXILIARY - FRANCESTOWN VOLUNTEER FIRE DEPARTMENT
2005 TOWN REPORT**

Elected at the Auxiliary's Annual Meeting held in January were the following officers:

President	Karen St.Cyr
Vice President	Joan Kullgren
Secretary	Karen Couturier
Treasurer	Denise Hunsaker

It was with great sadness in March that the Auxiliary and the Francetown community noted the passing of Elizabeth 'Liz' Foote. Liz was a founding member of the Auxiliary and it's first President. She contributed to the organization throughout her life.

2005 was the 'year of preparation' for the **"2006 Francetown Telephone & Business Directory"**! Numerous changes in residential listings and many new business ads appear in the updated edition. We hope you will support the local business who not only helped make the publication possible, but also indirectly supported our fire department. Because of the success of the Directory, the Auxiliary was donate \$4500 to the fire department towards the Jaws of Life currently being purchased.

Traditions continuc. Annual fund raisers were well supported - the sale of refreshments at Town Meeting, and the corned beef dinner served to the Hillsborough County Forest Fire Wardens in advance of their March meeting at the firehouse. The ongoing sponsorship of the Francetown Girl Scout troops creates a special relationship between the organizations. In conjunction with the fire department, the Auxiliary participated in the annual October Fire Prevention and Safety visits to Francetown schools. The Auxiliary provided refreshments for all. Additionally, the organization presented a \$25 voucher to each classroom to present at the Toadstool Bookstore in Peterborough for literature relative to 'fire prevention and safety'. Auxiliary sponsored semi - annual blood drives held at FES in the spring and late fall continued to see growth in attendance. It has been rewarding to note the increase in interest, as well as the commitment by regular donors coming to each drive. Donors representing at least twelve communities, including first time donors at most drives, made a difference in the lives of many patients.

The beginning of a new town tradition has begun with the inauguration of Francetown's own Veteran's Day Service. Auxiliary members provided lunch time refreshments at the Town Hall following the service.

The Auxiliary is deeply appreciative of the support shown by Francetown residents and neighbors in surrounding communities. Working together contributes to and enhances the quality of life that makes this town and region so special.

Please contact an officer if you have questions about the Auxiliary or are interested in becoming a member.

Respectfully submitted,
Karen A. St. Cyr
President

Report of Forest Fire Warden and State Forest Ranger

Your local Forest Fire Warden, Fire Department, and the State of New Hampshire Division of Forests & Lands work collaboratively to reduce the risk and frequency of wildland fires in New Hampshire. To help us assist you, please contact your local Forest Fire Warden or Fire Department to determine if a permit is required before doing ANY outside burning. A fire permit is required for all outside burning unless the ground is completely covered with snow. The New Hampshire Department of Environmental Services also prohibits the open burning of household waste. Citizens are encouraged to contact the local fire department or DES at 1-800-498-6868 or www.des.state.nh.us for more information. Safe open burning requires diligence and responsibility. Help us to protect New Hampshire's forest resources. For more information please contact the Division of Forests & Lands at (603) 271-2217, or online at www.nhdfi.org.

Fire activity was high during the first several weeks of the 2005 fire season, with red-flag conditions issued by the National Weather Service and extreme fire danger in the southern and central portions of the state. This period of increased initial attack activity prompted a 5-day ban on open burning, the first such ban in several years. Despite the dry conditions, the state's largest wildland fire was contained at 29 acres. Our statewide system of fire lookout towers is credited with keeping the fires small and saving several structures this season due to their quick and accurate spotting capabilities. Fires in the wildland urban interface damaged 10 structures, a constant reminder that forest fires burn more than just trees. Homeowners should take measures to prevent a wildland fire from spreading to their home. Precautions include keeping your roof and gutters clear of leaves and pine needles, and maintaining adequate green space around your home free of flammable materials. Additional information and homeowner recommendations are available at www.firewise.org. Please help Smokey Bear, your local fire department and the state's Forest Rangers by being fire wise and fire safe!

ONLY YOU CAN PREVENT WILDLAND FIRE

GEORGE HOLMES BIXBY MEMORIAL LIBRARY **ANNUAL REPORT - 2005**

The following committees met in the library during the year:

Francestown Land Trust	Francestown Water Department
Francestown Girl Scouts	ConVal School Parent
Francestown Academy	ConVal Mock Trial
Francestown Democratic Committee	

Circulation of Materials during 2005:

Adult Fiction, NonFiction and InterLibrary Loan	4,944	Magazines	1,698
Juvenile Fiction, Non Fiction	3,027	Videos	63
Audio Tapes	897	Tapes. Videos. Games	178

Total Library Materials for 2005 **10,807**

Books Purchased Adult	333	Adult Gifts	24
Juvenile	350	Interlibrary Loan	129
Discards Adults	294	Borrowed	91
Discards	124		

Library Events:

Movies every Tuesday evening January to April, Heidi Dawidoff
 Book Discussion, Lecture and Slide Show on Leatherback Turtles, Jill Rolph
 Music Appreciation, Jim Bolle
 Poetry Reading
 Garden Tour
 Plant Exchange
 Summer Reading Kick-Off Party with Michael Caduto
 Native American Crafts
 Bug Hunt with Susie Denahie of the Harris Center
 Build, Build, with Popsickle Sticks
 Travelling Bug Zoo, Dept of Entomology UNH
 Make A Book About Yourself
 Campfire Stories, Guitar and Flute Playing in Greenfield
 Labor Day Open House
 Exhibit by Francestown Artisans
 Library Welcome Coffee
 Welcome Coffee for Moms and Babies

We are always delighted to get suggestions for reading or programs. Please do not hesitate to call or mention your suggestions while here in the library. The Summer Reading Program was a great success thanks to our Children's Librarian, Carol Brock. Our storytime has changed to Fridays to accommodate the Mothers. Thanks to Sirkka Holm and Susan Connard who are here on Saturdays. Thanks to the Trustees for their support.

Please come and visit and see what a great selection of books we have.

Respectfully Submitted,
 JOAN E. HANCHETT

George Holmes Bixby Memorial Library
Library Trustee
Annual Report

The Library has completed another highly successful and lively year thanks to the leadership of Joan Hanchett, Library Director, joined by Carol Brock, Children's Librarian, and the two library assistants, Sirkka Holm and newly hired Susan Connard. These four make a wonderful team because they are truly team players who, together, create a friendly and orderly setting in which people of all ages can find help, advice, local news, good conversation, and a comfortable place in which to work or read for pleasure. The Library, moreover, continues to host community groups and organizations in need of a meeting place and hosts cultural events like craft classes, book discussions, and a winter movie series.

For close to a year, the trustees have been working with Carolyn Benthien of Benthien Associates. Carolyn has been helping us with our "silent phase", a phase during which nothing may seem to be happening from the public's point of view but during which a great deal of planning is going on in an effort to launch Phase II of our fund-raising campaign. Carolyn's work with us is all about the addition of course. The need for space is crucial, especially for a room with tables for study and shelves to accommodate safely, comfortably, and visibly new books.

In her conversations with towns people of Francestown, Carolyn confirmed for us the generally wide support and strong enthusiasm people feel for the Library and for the addition. We are grateful for the support and eager to be communicative and informative about our progress. To that end, we submit a regular article to the *Francestown News*, entitled "Library Up-Date", written by trustee, Heidi Dawidoff. Furthermore, we have moved the day and time of our regular meetings to the first Thursday of each month at 7:00 p.m. in order to make our meetings more accessible to the public, whose interest and ideas we welcome.

Our fund-raising efforts of the past year have included book sales, an on-line auction, and a beautifully organized, well-attended, and enthusiastically received Garden Tour, including a delicious luncheon, held on a bright, sunny day.

The trustees are happy to report that the revision of the By-Laws and Policies is complete. Both have been officially accepted by the trustees.

"If you have a library and a garden in your life, you need nothing more."
~Cicero

HERITAGE COMMISSION

The Heritage Commission, voted in at last year's Town Meeting, has six members and meets the 2nd Saturday of the month at 9:00 AM in the meeting room of the town offices. The Commission, according to state regulation RSA 673, "may be established for the proper recognition, use, and protection of resources, tangible or intangible, that are valued for their historic, cultural, aesthetic, or community significance within their natural, built or cultural contexts." The Commission is working with organizations in town to update the above information that currently exists in the town histories and Greg Thulander's 1990 master's thesis, which is housed at the Francestown Improvement and Historical Society.

Members of the Commission are Diane Curran, Chairman, Ann Stewart, Secretary, Mary Lindstrom, Veda O'Neill, Peter Bixby, Silas Little and Bill McAuley as representative from the Board of Selectmen. All meetings are open to the public

Respectfully submitted,

Diane Curran, Chair

Conservation Commission – 2005 Report

2005 was a busy and productive year for the Conservation Commission, and in some really exciting collaborative efforts with other land conservation organizations we have finalized several land protection projects, and begun some new ones.

Last year the Commission voted to support the “NH Everlasting Initiative” of the Society for the Protection of NH Forests, which has a goal to see that 25% of the most important open spaces in every community are conserved. It was determined that in order to meet that 25% goal, about another 2000 acres of a land in town needs to be conserved, and so, together with the Francestown Land Trust, Inc., we kicked off the “2010 by 2010” campaign, an initiative to conserve an additional 2010 acres by the year 2010.

An important first step in our conservation initiative; at 2005 Town Meeting voters approved a one million dollar conservation bond to be used for the protection of important natural areas. And with the approval of that bond the town became eligible for a \$200,000 grant from the Russell Piscataquog River Watershed Foundation, a \$15,000 pledge from the Francestown Land Trust, Inc. and several private pledges of donations and easements were made to conservation organizations for land protection in Francestown. Approving the bond also enabled the Commission to move forward on finalizing the Shattuck Pond Project, which will allow the town to potentially receive additional grant funds of more than \$300,000 when the project is completed.

This year we had a 3 acre lot of land near Collins Brook donated to the Conservation Commission by Skip Cilley of Pleasant Pond Road, and a 13 acre conservation easement near Scobie Pond donated by Keith & Maris Humphreys of Portsmouth RI. Both these donations provide for the protection of important wildlife habitat and water resources and the Commission is very grateful to these donors for their generous contributions.

In a joint effort with the Piscataquog Watershed Association (PWA) the Commission will help conserve approximately 70 acres of land on Russell Station Road along Rand Brook. The PWA has negotiated a purchase arrangement with landowner Connie Bicknell that should be completed in April of 2006. The PWA will own the land with the Commission contributing \$150,000 in exchange for a Conservation Easement on the property. This project has been proven to meet the Commissions criteria requirements for land conservation, and has already been approved by the Board of Selectmen for bond funding.

In another cooperative conservation effort, this time with the Francestown Land Trust, the Commission helped protect 60+/- acres of land with extensive frontage on Red House Road and New Boston Road. A conservation easement was purchased by FLT from Frank W. and Betty Jones in a “bargain sale” type transaction, with the Conservation Commission contributing \$40,000 from our Conservation Fund in exchange for a secondary easement interest in the parcel, with the balance of funds for this easement coming from FLT and contributions from the Red House Road neighbors.

The Commission is also currently working with FLT and SPNHF to place easements on several town-owned lots and is in varying stages of that easement process. Most of these easements are part of the LCHIP project and must be completed by June 2006. Surveys, stewardship plans, baseline documentation and environmental

evaluations must be completed for all these easements, and much of this work has been done this year. We also finalized the process with the Planning Board to annex a fifty-acre portion of town-owned land to the existing one-acre Fire Tower Town Forest on the mountain (which we need to put an easement on as part of the match for the LCHIP grant).

In November the Commission was able to secure an agreement from landowners Tom McDonnell and Jack Curren to purchase their 90-acre lot on Shattuck Pond for \$340,000. This property has long been a priority for protection, with critical habitats, important water resources, significant historic interest and the potential for multiple recreational opportunities; it was secured by the end of the year with \$290,000 of conservation bond notes/funds and with a grant donation of \$50,000 from the Russell Piscataquog River Watershed Foundation. The board is thankful to the former landowners for providing the Commission the opportunity to purchase this critical natural area for the townspeople and to the Russell Foundation for help making it possible. It took much cooperative effort from all parties involved to make this happen within the time frame given and it is sincerely appreciated.

Throughout the year Commission members have participated in various educational programs on wildlife habitat, forest management, land conservation, natural resource inventories and various other items. Alternate member Polly Freese attended the Coverts Cooperative program, an intensive 3-day educational program on wildlife habitat, forestry, and conservation that is provided by the UNH Cooperative Extension.

Input has been provided to the Planning Board and ZBA on various subdivision and other applications, and we continue to work with the Planning Board on Master Plan updates. Work has been started on an updated Natural Resource Inventory (NRI), with 'working' maps provided by the Planning Board. Much information for our NRI has already been made available to us on "critical habitat" maps of the Franconia area that were developed by NH Fish & Game. These maps have been extremely useful to the Commission in our planning and decision-making this year. Also, Emily Hague of Antioch New England Graduate Center provided us with the information from an inventory she completed on a portion of the southwest corner of town and her information will also be added to our NRI.

The annual February "Snow moon" hike was once again a wonderful moonlit experience shared with friends and neighbors. And our annual Earth Day hike was wet, but fun, as we hiked the new trail to Shattuck Pond, and in May we had our second annual bird watching hike. The annual "roadside cleanup" was sponsored in April, and our thanks and appreciation to the Transfer Station and Highway crew for their vital assistance in this event. We produced and distributed our annual newsletter, monitored town-held easements, reviewed wetland applications, led after school hikes, and attended the annual meeting of the NH Association of Conservation Commissions.

Maintenance and monitoring of the trails through the various town forests is an ongoing requirement, and dedicated volunteers continue to assist in the maintenance of these trails. This year the focus of our annual "Trails Day" event was the scenic trail through the Lord Town Forest off Ferson Road, which was cleared of debris and re-blazed. New trail signs have been ordered, as well as a new sign for the Lord Town Forest and these will be placed soon. Plans are underway to create a new trail leading into a historically interesting area in the Driscoll Hill Town Forest.

Log landings and portions of some of the skid roads in the town forest were seeded, and fruit and nut producing shrubs for wildlife were planted in openings. This next year the commission will be seeking bids from consulting foresters to develop management plans for the newly acquired properties and to update the existing management plans.

The Commission has also been involved with the Headwaters Project I, a comprehensive and collaborative effort between multiple organizations to protect important land in the Piscataquog River Watershed, and helped sponsor along with these other organizations the development of an informational video on conservation easements that was filmed and directed by Francetown resident Hilary Weisman Graham.

We have been very fortunate to have a lot of volunteer help this year on many issues; the conservation bond proposal, trail work, taking photos, compiling information, educational and awareness programs, and doing various other tasks like filing, completing applications, and so on – and we are extremely grateful.

The Commission looks forward to another busy and exciting year, and we thank you for your on-going help and support.

Respectfully submitted,
 Betsy Hardwick, Chair

*Additional acres of town-owned land to be placed under easement per 2003 warrant article - 280 +/- acres, and per 2005 warrant article – 15 acres awaiting finalization of easement documents and approval – total pending of 295 acres +/-

**DEPARTMENT OF PUBLIC WORKS
ANNUAL REPORT**

HIGHWAY DEPARTMENT

The Highway Department would like to thank the towns people for voting in the purchase of a new 6 wheel dump truck. This truck is working out very well. This year we are planning on doing the rest of 2nd NH Turnpike South. The town employees both full and part time have done a great job this year and I want to thank them for that. They work both long and hard at what they do and are very dedicated.

Roads Graveled in 2005
2nd New Hampshire Turnpike North
Wilson Hill
Stevens Road
County Rd North
Poor Farm Road
Bible Hill Extension

Planned for 2006

Garish Road
Russell Station Rd.
County Rd. South
Muzzey Hill Rd.

TRANSFER STATION

George and Dan are doing a good job at the transfer staion. We would like to thank the people for their efforts at recycling. They have done a good job. In 2005 we have recycled: 94 tons of paper, 61 tons of scrap metal, and 50 tons of glass.

Respectfully submitted
Thomas Plourde
Public Works Director

Emergency Management Annual Report

911 maps continue to be a high priority at all levels. Updates due to new construction require revisions to the existing 911 maps on a recurring basis. Please ensure that house numbers can easily be seen by fire and emergency personnel responding to emergency calls.

Homeland Security funds are being made available to procure additional portable radios to improve communications between firefighters, emergency personnel and command personnel during emergency situations. With better communication, safety can be enhanced and property damage can be minimized.

Disaster plans continue to be updated and refined to meet ever changing catastrophic situations locally and regionally.

I am available to answer your questions relayed to natural disasters, emergency services, etc. Please don't hesitate to give me a call.

Respectfully submitted,

Paul A. St. Cyr
Director

Francestown Police Department
15 New Boston Road
Francestown, New Hampshire 03043

Again as in past years, the departments calls for service continue to climb. Officers took report of, provided and responded to over 5013 requests for service to the community. The ski area while still pleasantly surprising us, has lead to an increase in traffic enforcement and accidents occurring in town. Officers were able to apprehend several suspects after reported thefts of skis and snowboards from the ski area.

Officers made over 30 court appearances for trials. Officers taught and attended over 72 training sessions during the year. The District and Superior courts order individuals to check in with the police department on a daily basis, seven days a week, requiring that an officer speak to the individual by phone or at the police station to verify that the individual is still in the area and being of good behavior. This was done over 56 times this year. Officers assisted the neighboring towns when requested over 111 times.

Officers took report of over 71 road hazards ranging from wires and trees in the road to washouts and hazardous road conditions. Officers took 10 burglary reports this year most involving little or no property damage. One burglary was witnessed by the homeowner who called police and stayed on the phone to keep the officers coming to the situation appraised of where the individual was. Officers pursued the individual on foot into Lyndeborough where he stole an OHRV and rode it to Hillsborough. The suspect was kind enough to leave his vehicle at the scene of the crime so he was readily identified and arrested in Hillsborough after a short chase.

This year we took a number of complaints from citizens about how motorists were driving thru town. Officers made over 1007 motor vehicle stops. 839 were resolved with warnings issued to the operators, 181 were issued summonses and 14 were arrested. Officers investigated 81 motor vehicle accidents many of which were reportable to the State of New Hampshire. Many of these were motorists coming and going to the ski area. Responding to and investigating accidents takes up a good deal of the officers time.

The department received 39 burglar alarm activation calls with an officer responding to most of them to check on why the alarm was activated. Most of the time it is learned that the alarms are set off by the weather, a power problem or people authorized to be on the premises.

The following is an example of some of the other calls that the officers respond to.

Arrests	42	Civil Matters	14
Accidents	82	Juvenile Problems	8
Alarms	39	Fire/Rescue Calls	63
Animal Complaints	55	911 Hang-Ups	21
Assist Motorists/Citizens	203	Juvenile Runaways	7
Assaults	2	Motor Vehicle Complaints	62
Assist other Departments	111	Susp. Persons/Cars	114
Annoying Phone Calls	4	Follow-up Investigation	664
Burglary	10	Check the Welfare	14
Bad Checks/Fraud	6	Domestic Issues	15
Criminal Mischief	22	Criminal Trespass	3
Miscellaneous	1081	Criminal Threatening	6
Thefts	17	Reported Disturbance	17
Dog Complaints	71	OHRV Complaints	7
Paperwork Served	72	Wires/Trees Down	71

Last year thru the support of the taxpayers we were able to increase the hours of patrol time to have an officer on duty most evenings for the second half of the year. This year I hope that the citizens will support the funding needed to have an officer on duty and available in the evenings for the remainder of the year as demonstrated by the calls that we receive.

Chief Philip Woodbury
Francetown Police Department

**ANIMAL CONTORL OFFICER
2005 REPORT**

Breakdown of calls for 2005

Dogs –

Missing	10
Strays	9
Found	6
Running Deer	2
Nuisance	3 – includes barking, roaming

Cats –

Missing	10
Strays	8

Livestock	6 – horses, pigs, goat
Wildlife	3 – deer, porcupine, bat
Other	3 – includes concerns for animal's welfare

Total calls 60

This year's rabies clinic was a success. A rabies clinic will again be held in 2006 – probably in April – watch for posters as to the date and time. State law requires cats be vaccinated against rabies. Remember cats need to be in a carrier and dogs on a leash. Please remember to bring along your animal's current rabies certificate.

State law requires all dogs over 3 months old be licensed by April 30th each year. Remember – in addition to the license fee – there is an additional fee after June 1st to license your dog (\$25.00 Forfeit Fee and \$ 1.00 per month for each month you are delinquent). Proof of rabies vaccination (a rabies certificate) is required to license your dog – make sure you bring the certificate with you when you go to the Town Office to license you dog.

Once you have licensed your dog, please put the license tag on your dog's collar – this helps us locate you should your dog wonder off. There is a \$10.00 a day pick-up fee for animals held longer than 24 hours.

Respectfully submitted,

Donald C. Abbott
Animal Control Officer

Board of Adjustment - 2005

The New Hampshire Revised Statutes Annotated and the Frankestown Zoning Ordinance give the Board of Adjustment the power to do the following: (1) hear appeals from administrative decisions relating to the enforcement of the Zoning Ordinance, (2) grant "Special Exceptions" under the Ordinance, (3) authorize "Variances" from the terms of the Ordinance, and (4) grant "equitable Waivers" from compliance with the dimensional requirements of the Ordinance. In each case the power of the Board is strictly limited by the terms of the Statutes and the Ordinance. Persons wishing to bring a matter before the Board should examine the Ordinance before filing an application. Copies of the Ordinance, forms for applications, information on filing fees and costs are available at the Town Offices.

For 2005 the Board members were Charles M. Pyle, Chairman, Mike Jones, Vice-Chairman, Abigail Arnold, Sue Jonas and Lois Leavitt. Stewart Brock Carol Ireland, Cindy St. Jean, and Guy Swenson and Ben Watson served as alternates, Melissa Stewart the Minutes Clerk.

During 2005 Board granted Variances to:

- David and Maria Hackett to permit, subject to conditions, the construction and placement of a septic system within 100 feet of two vernal pools on property located on Pleasant Pond Road.
- Daniel and Peter Joy (four variances), subject to conditions, to allow the construction of a septic system and a single family home.
- TPR Development to permit, subject to conditions, the placement and construction of an outdoor pool and surrounding pool deck on property located at 740 Second New Hampshire Turnpike. A variance was also granted to permit the placement and construction of a maintenance building connected to an existing sales building.

During 2005 Board granted a Special Exception to:

- Charles and Sarah Pyle to operate a real estate business and other professional offices at the property located at 169 Main Street. The decision was subject to conditions. The Board denied a request for a rehearing.

Regular meetings of the Board of Adjustment are scheduled for the second Thursday of each month. All meetings are opened to the public.

Finally, I wish to thank all members of the Frankestown Board of Adjustment for their continued diligence in conducting the business of the Board during 2005.

Respectfully submitted,

Charles M. Pyle III
Chairman
January 25, 2006

FRANCESTOWN PLANNING BOARD
Annual Report – 2005

In 2005 the Planning Board appointed two new members to fill one-year vacancies on the board due to the resignations of Peter Zahn and Stewart Brock. Tom Anderson filled the remaining year of Zahn's term, and Linda Kunhardt filled Brock's seat for one year, until the Town elections of March 2006. In addition, the Board voted to appoint Mike Tartalis to a three-year term as an alternate member of the Board.

The Board had a relatively busy year in terms of case work, receiving eight applications for subdivisions (including lot line adjustments) and four applications for site development. Of these applications, the Board approved three subdivisions and four lot line (boundary line) adjustments, with one application still under review by the Board due to changes made to the plan and an extension granted by the applicants. In addition, the Board granted approval for two site developments, and sent letters of recommendation on two site plans submitted by the Town of Franchestown and reviewed in public hearings under the provisions of RSA 674:54 (Governmental Land Uses).

Specifically, the cases involved were, as follows:

Subdivisions:

Case No. 05-SD-2 (Piscataquog Watershed Association). On June 21, the Board approved a two-lot subdivision of Tax Map 3, Lot 9, located on Cressey Hill Road and Russell Station Road. The new lot is intended for conservation and open space uses and will not be developed as a building lot.

Case No. 05-SD-6 (Patrice Boothby). On January 19, 2006, the Board approved a three-lot subdivision of Tax Map 8, Lot 93, located on Todd Road.

Case No. 05-SD-7 (Waldo Palmer). On December 13, the Board approved a two-lot subdivision of Map 6, Lot 32, located on Bible Hill Road.

Lot Line Adjustments:

Case No. 05-SD-1 (H&H Investments, LLC). Map 8, Lots 100-2 and 100-3, located on Campbell Hill Road. Approved June 7.

Case No. 05-SD-3 (Marshall/Dahlquist). Map 1, Lot 1 and Map 2, Lot 33, located on Greenfield Road. Approved August 16.

Case No. 05-SD-4 (Burke/Oles). Tax Map 10, Lots 6 and 8.1, located on Wilson Hill Road. Approved August 16.

Case No. 05-SD-8 (Town of Franchestown/Conservation Commission). Tax Map 7, Lots 2 and 3.1, located on East Road. Approved December 6.

Site Developments:

Case No. 05-SP-1 (Charles and Sarah Pyle). On September 30 the Board approved a site development plan to convert a house located at 169 Main Street (Map 14, Lot 8) into space for a commercial real estate office and additional professional office space. The Zoning Board's grant of a Special Exception for this same case is currently being appealed in the courts.

Case No. 05-SP-2 (Town of Franchestown). The Board held a public hearing pursuant to RSA 674:54 and reviewed a site plan for a new three-bay garage to be built at the fire station site at 242 Second N.H. Turnpike South (Map 12, Lot 5). The Board sent an advisory letter with its recommendations to the Board of Selectmen on August 31.

Case No. 05-SP-3 (Town of Francestown). The Board held a public hearing pursuant to RSA 674:54 and reviewed a site plan for a town vehicular museum, to be erected at 27 Greenfield Road (Map 13, Lot 42) adjacent to the Town Hall. The Board sent an advisory letter with its recommendations to the Board of Selectmen on August 31.

Case No. 05-SP-4 (TPR Development Co, LLC). On November 15 the Board approved a site plan for a spa/recreation facility and a new maintenance building at the Crotched Mountain Resort & Spa (former Tory Pines Golf Course) on Second N.H. Turnpike North (Map 7, Lot 22 and Map 8, Lot 44).

Outstanding Cases:

Case No. 05-SD-5 (Bruce and Danielle Harrington). In October the Board began considering an application for a two-lot subdivision and lot line adjustment involving Map 6, Lot 79 and Map 3, Lot 31 located on New Boston Road and Red House Road. After considering the case as a possible Open Space Development, the applicants requested an extension and will present an amended plan in 2006.

Other Business

The Board held three preliminary consultations in 2005:

- May 17 – Piscataquog Watershed Association
- May 24 – TPR Development LLC
- June 21 – Sarah Pyle/Country Brokers

On August 23, the Board met with representatives of the Stone Irrevocable Trust and voted to approve a revised consolidation plan for Map 3, Lots 73 and 73-1 and issue a new notice of decision, subject to certain conditions, which have not been satisfied at the time of this report.

On January 3, 2006 the Board held a public hearing to consider an amendment to Section 7.6 of the Francestown Zoning Amendment, relating to Animal Care and Training facilities. This amendment was submitted by petition by Larry Laber and other registered voters. The Board voted 6-1 to recommend the proposed changes.

On January 10, 2006 the Board voted to certify a Sediment and Erosion Control plan for a driveway that would cross steep slopes to reach a proposed single home site located on Poor Farm Road (Map 9, Lot 17-2). The applicants had received variances from the Zoning Board, subject to several conditions.

Master Plan Update

The Board made significant progress in updating the Land Use section of the Francestown Master Plan. In May the Board voted to support a natural resource inventory of the Rose Mountain area, including adjacent areas of Greenfield and Lyndeborough,. This inventory was conducted by Emily Hague, a Master's degree student at Antioch Graduate School in Keene. On October 4 Ms. Hague presented her printed *Rose Mountain Inventory* to the Board, which will consider incorporating some or all of the report into its Master Plan update in 2006. In addition, the Board received significant research assistance from Antioch graduate Heidi Brannon and Southwest Region Planning Commission.

In the fall of 2005 the Selectmen asked the Planning Board to form a Town Building Committee to gather and coordinate information on the town's public facilities needs for the next 10 to 20 years and beyond; to evaluate the town's existing building stock; and to make recommendations to the Planning Board and Board of Selectmen that ideally will offer a plan for prioritizing and funding needed renovations or new construction. The goal is to have a report in place by Labor Day of 2006. Much of the groundwork for this study has already been laid through the efforts of a Town Hall Study Subcommittee and the trustees and building committee of the George Holmes Bixby Memorial Library.

As always, the Board encourages all residents to attend our public meetings, which are regularly held on the first and third Tuesdays of each month.

Respectfully submitted,

Benjamin A. Watson, Chairman

**FRANCESTOWN PLANNING BOARD
SUB-COMMITTEE
REPORT OF ROAD IMPROVEMENT PROGRAM**

The Road Improvement Program Sub-Committee was established in May of 1989 by the Planning Board to help develop a long-term road improvement program for inclusion in the Capital Improvement Program. It was disbanded at the end of 2000 but was reactivated for the 2006 plan.

PURPOSE:

1. To recommend an appropriate sum of money to be spent each year to improve the roads and bridges of Francestown.
2. To recommend a 6 year plan of roads to be improved, listing roads and work to be done on each.

GENERAL RECOMMENDATIONS:

1. To continue the policy that the full cost of all road improvement projects be raised by warrant article stating location and scope of each project.
2. To raise and appropriate a minimum of \$100,000 a year for road improvements, to be allocated between capital reserves and capital expenditures as needed. Beginning in 2008, to begin increasing the annual appropriation with the goal of reaching a minimum of \$150,000 by no later than 2015.
3. To raise and appropriate a minimum of \$45,000 for the bridge improvement reserve over the next three years. A more complete assessment of the condition of town bridges and of alternative options for extending their lives will be included in next year's report.
4. To begin a semi-annual inspection program of all bridges and culverts with diameters of 6 feet or greater.
3. To continue to have the majority of the work on all CIP reconstruction projects be performed by qualified outside contractors, rather than by the Highway Department.
4. To restart a regular program for accumulating traffic data on all major roads.
5. In 2006 to withdraw \$175,000 from reserves and to raise \$100,000 from taxation for the continued reconstruction of the 2nd NH Turnpike South. In addition to putting a 1" hot bituminous finish coat on the .7 miles worked on in 2004, the project will consist of:
 - a. Tree cutting: The Turnpike is a scenic road and a scenic road hearing will be held to consider the proposed removal of two trees.
 - b. Grinding and reclaiming of the existing paved surface for the entire length of the proposed project; grade and alignment of road to remain essentially unchanged.

- c. Excavation of unsuitable material estimated to be 1,100+ cubic yards. Replacement of excavated material with good quality (6" minus) bank run gravel, plus 6 inches of crush.
- d. General drainage improvements: Replace 6 +/- culverts and install 300 +/- feet of underdrain, plus 2 catch basins and storm sewer, as needed, in front of the cemetery.
- e. Village area drainage: Install catch basins and 500+/- feet of storm sewer from 136 intersection south.
- f. Width: Road is currently 22 feet wide in most places; narrower spots will be widened to a maximum of 22 feet.
- g. Pavement: 2 inches of hot bituminous base for 1.7 miles from Morse bridge to 136 intersection. Finish coat to be completed in 2007-08.
- h. Finish work: clean up, seed and mulch all disturbed areas.

Note: The most important factors affecting the longevity of our paved roads are the drainage and the quality of the base. Estimated costs for the final phase of the Turnpike reconstruction are contingent on the amount of unsuitable base material encountered. Project work is to commence at Morse Bridge and proceed northward. If the amount of material that must be removed and replaced significantly exceeds the 1,100 yards estimated, the extent of drainage work and surface reclamation done this year may be reduced to allow proper subbase to be developed. At a minimum, drainage and base improvements should be completed to the Town Barn and overlaid with a 2" binder course in 2006.

RECOMMENDED PLAN (Subject to annual review and update):

2006	Reconstruction of 2nd NH Turnpike S	\$ 275,000
2007	Final Phase of 2 nd NH Turnpike S: Finish coat	\$ 65,000
	Reconstruction of Poor Farm Road: 136 to Todd Road (may need to be postponed to 2008)	\$ 35,000
2008	Reconstruction of Poor Farm/Pleasant Pond Road	\$ 100,000
2009	Reconstruction of Pleasant Pond Road	\$ 100,000
2010	Reconstruction of Pleasant Pond Road	\$ 100,000
2011	Reconstruction of Pleasant Pond Road	\$ 135,000

**FRANCESTOWN'S SIX YEAR (2006-2011)
CAPITAL IMPROVEMENT PLAN**

The Town's Capital Improvement Plan (CIP), which was updated in January of 2005, serves three basic functions:

1. First and foremost, the CIP is a valuable planning tool which should help the Town to anticipate, prioritize, coordinate and manage its capital expenditures.
2. The CIP will provide part of the basis for developing any impact fee system that will require a developer, under certain circumstances, to offset some of the increased cost to the Town necessitated by his project.
3. The CIP will be essential for the development of any growth management ordinances, if, in the future, the Town should determine growth management to be necessary.

The major change between last year's 6 year plan and this year's is a re-focus on the town's aging roads and bridges. An additional \$86,000 in reserves was added over the life of the plan, but much more will be needed. The Road Improvement Sub-Committee plans to have more specific information available next year.

Town building projects promise to be the other big issue for the next 10 to 15 years. The library trustees are now requesting that the town contribute 25% of the final cost – currently estimated at \$400,000 – over the next few years while the town hall study committee is eager to get started on a complete and costly renovation of the town hall. Over the next nine months, a new committee will be taking a close look at both projects along with all town buildings and departmental needs. In the meantime, while library reserve recommendations have been increased from \$10,000 to \$20,000 a year, the level of reserves is not adequate to fund the scope or timing of either project as proposed.

For 2006, the CIP recommends net new spending (appropriations less withdrawals from reserves and private funding) of \$335,500. Specifics are listed in Column 2 of Exhibit 1 on the next page. Also included in Exhibit 1 are the warrants as actually proposed by the departments. Footnotes indicate whether the Board of Selectmen and the Budget Committee recommend approval of a particular warrant article.

The CIP is prepared - and this summary is provided - to assist you in your decision making at Town Meeting. If you would like a copy of the complete plan or have any questions about the plan and how it is prepared, please contact the Planning Board.

Respectfully submitted,

The Planning Board
The Board of Selectmen
The Budget Committee
January 31, 2006

EXHIBIT 1
1st YEAR OF 2006-2011 CIP COMPARED TO 2006 WARRANT ARTICLES

(1) Expense Item	(2) CIP	(3) Warrant Proposal	(4) Note	(5) Est. Tax Impact
Capital Reserve Items				
Fire - Vehicles	\$ 50,000	\$ 50,000	S,B	\$.27
Fire – Small equip.	5,000	5,000	S,B	.03
Fire ponds	1,000	1,000	S,B	.01
Highway Vehicles	70,000	70,000	S,B	.37
Bridge Improvements	11,500	11,500	S,B	.06
Road Improvements	-	1	S,B	-
Police Vehicles	15,000	15,000	S,B	.08
Library Building	20,000	20,000	S,B	.11
Town Bldg. Improv.	30,000	30,000	S,B	.16
Cemetery	8,000	8,000	S,B	.04
Recreation	7,000	7,000	S,B	.04
Equip/Projects/Non-Capital Warrants				
2 nd NH Turnpike	275,000	275,000	S,B	.53,R
Cemetery Wall	52,000	42,840	S,B	R,P
Milfoil Eradication	12,000	12,000	S,B	.06
Sidewalk Plowing	-	125,000		.66
Grapevine	-	3,000	S,B	.02
Total 2006 CIP	\$556,500			\$ 1.75
Total 2006 Warrants		\$559,000		\$ 2.43
Total 2005 Warrants				\$ 1.72

Note 1: Estimated Tax Impact per \$1,000 of assessed property valuation is based on actual warrant proposal.

Note 2: In Column 4, an S notation indicates that approval of the warrant article is recommended by a majority of the Board of Selectmen and a B indicates the positive recommendation of the Budget Committee.

Note 3: In Column 5, R indicates financing in part, or in whole, from reserves; UFS indicates withdrawals from undesignated fund surplus; P indicates partial financing from private donation.

It is also important to note that the Planning Board has deferred prioritizing two major building projects – town costs conservatively estimated to be in excess of \$1 million: The library trustees are now requesting that the town contribute 25% of the cost of the new library over the next few years while the town hall study committee is eager to get started on a complete renovation of the town hall. In addition, the police department has requested more space and the recreation department is discussing a location for teen programs.– by the library and town hall study committee pending the report from a new committee that will look at all the town buildings and departmental needs.

REPORT OF THE HISTORIAN 2005

There were 27 building permits issued: 5 Houses, 3 Barns, 5 Garages, 5 Additions, 4 Sheds, and 5 Porches.

There were 1176 registered voters: 385 Republicans, 244 Democrats, and 547 Undeclared.

The second phase of the Main Street reconstruction was completed, including a new drainage system, sidewalk and curbs.

The Francetown Community Pre-School closed July 8th due to enrollment issues. It had been in operation for 30 years.

Francetown Improvement and Historical Society had 95 Lifetime members and 89 Individual and Family members. FIHS sponsored the 88th Labor Day Weekend celebration. The parade theme was "Francetown Then and Now".

In August, members of FIHS unanimously approved placing a barn on the Beehive property to serve as the Vehicular Museum. Although FIHS owns the Beehive property, the town will own and maintain the Vehicular Museum. The town owned vehicle collection includes an original Concord stage coach, historic hearse with runners and hearse with wheels, antique hand tub and tender and a hay wagon.

The Old Meeting House had 290 Lifetime members and 60 annual members. Many programs were held at OMH during the year including: Jonathan Edwards, The Meeting House Minstrels, The Cheshiremen Barbershop Chorus, Monadnock Music, Aztec Two Step, The Matt Savage Trio and Livingston Taylor. Verdant Visions was a very successful event of the year and featured three speakers and a new half day format. Labor Day weekend events included: Vespers, tours, an ice cream social and RP Hale printing original woodcuts and performing on the harpsichord. The Holiday House Tour was a successful and festive event thanks to numerous volunteers and the hosts of seven lovely Francetown homes. Meetings for the Francetown Land Trust and The Tuesday Academy were both held at OMH. Ten weddings and a memorial service for Thomas E Bixby III were also held at OMH.

Oak Hill Grange #32, met the 1st and 3rd Thursdays of each month at the Town Hall, or in private homes. There were 19 members, including 5 golden sheaf members (members for 50+ years). The master was Merle Jones and the secretary Dariel Peterson. In February, the grange sponsored "Meet the Candidates Night" and a review of the budget with the selectmen. They presented a program for the town on "Fraud" with Tom Anderson as speaker. The dictionary project continued in its 4th year of the 5 year project and dictionaries were presented to 3rd graders at Francetown and Hancock elementary schools. Citizen of the Year Award was presented to Don and Kay Severance. The grange received awards for their exhibits at both the Hopkinton and Hillsboro County Fairs.

The Garden Club, in its 6th year held several programs including: a lecture by author Robert Gillmore and renowned garden designer Frederick Rice, and a tour of authors Don and Lillian Stokes garden in Hancock. The annual scholarship was presented to Joe Kendall, who entered the University of Alaska fall 2005. The major project of the year was the planting of the Oak Hill triangle garden, planned by Martha Coutts Eisenberg.

There were 2 churches meeting in town. Rev Suzanne Lamport served as Pastor of Francetown Community Church on Main Street. Pastor Andrew Dean served at The Village Baptist Church which met at the Elementary School.

There were 74 students K-4th grade, enrolled at Francetown Elementary School as of October, 1st, 2005. There were 25 home schooled students in town.

Joyful Tikes, a private pre-school, had an enrollment of 12 students, age 3-4 years, from Francetown, New Boston, Lyndeborough, and Greenfield.

Farming Fun 4-H club had 4 active members.

There were 2 Girl Scout troops in town. Brownie Troop #3960 (1st and 2nd graders), had 7 members and Junior Troop # 3136 (3rd, 4th & 5th graders) had 15 members.

Boy Scout Troop #275 had 15 members, 3 of which earned Eagle Scout rank. These scouts were Liam Delahanty, Adam Normile and John Normile.

The Food Co-Op, in its 31st year, met twice a month at the town hall.

The Francestown Community Theater presented the comedy "Social Security", in April.

To the best of my knowledge, residents who served in the armed forces were: US Army- Second Lt Scott Quilty, US Navy- IS2 Christina Davis, US Marine Corp- Staff Sgt Richard Beard, Air National Guard- Col Sylvia Johnson, US Army Reserve-Sgt Richard Roberts.

Francestown mourned the loss of several residents in 2005.

January 20, 2005-**Thomas E Bixby III**, a Francestown native, was a US Navy veteran, a 50 year member of Francestown's Pacific Lodge No 45, F&AM and a member of the Bektash Shrine Temple. He loved the outdoors, hunting, and fishing.

January 30, 2005- **Catherine Bradley Howell**, summered in Francestown and was known for her tireless volunteer efforts on behalf of senior citizens and low-income residents. She was one of the founders of Project Share. She was awarded both the Joseph Vaughan Award for her volunteer work with senior citizens, and the Humanitarian Service Award.

March 18, 2005-**Elizabeth Susan Foote**, a Francestown native, was a member and a founder of the Ladies Auxiliary of The Francestown Fire Department and served as president for many years. She also was an active member of the Community Church, a 4-H and Girl Scout leader, secretary of the Village Improvement Society and a member of the Sock Darners Club.

March 25, 2005-**Frederick W Whittemore**, was very active in town affairs. He served as: trustee of trust funds for Francestown, on the FIHS board of directors, treasurer of the FIHS Labor Day celebration, director of the Scobie Pond Preservation Association, and was an active supporter of FIHS, OMH and the Bixby Memorial Library.

August 16, 2005-**Evelyn Souckup**, worked in the town offices and also for Babson Maps. She loved opera and classical music, gardening and spending time with her family.

August 25, 2005-**Roger Prescott Clark**, served as Postmaster in Francestown, and worked as a field supervisor for Pratt and Whitney Aircraft. At one time he owned the FH Colburn & Co. store (the brick store) in town. In his spare time, he loved playing golf.

September 12, 2005-**Rebecca McClintock**, enjoyed traveling, camping and organizing family events and holidays. She was a talented decorator and seamstress.

November 5, 2005-**George Frank Jones**, a Francestown native, owned and operated Bartlett's Dairy Farm in Goffstown. He was a founder and consultant with Jones & Horan Auction Team, the largest specialty vintage watch auction house in the US. He served in the NH House of Representatives 1985-1986. In his retirement, he started a fruit orchard which he shared with UNH Co-op extension to educate others about orchards and fruit production.

November 12, 2005-**Herbert K Benedict**, a sergeant in the US Army's 740th Field Artillery Battalion, served as a Survey and Instrument Man in the Battle of the Bulge. He was an active member of the Community Church, served on the planning and zoning boards, and was a founding trustee of the Old Meeting House.

December 1, 2005-**Donna James**, a teacher in Nashua for many years, she was also an active member of the Francestown Community Theater and with her husband, enjoyed biking, hiking, skiing, swimming, tennis and kayaking. She was a member and past president of the women's educational sorority, Alpha Delta Kappa.

All will be greatly missed by the community.

Respectfully submitted,
Kris Holmes, Historian

Recreation Commission Report 2005

It was another great year for the Francestown Recreation Department. The baseball league grew to a combined total of 65 boys and girls ages 5-12. About 90 local kids participated in summer camp programs; basketball, volleyball, soccer, tennis, track, and arts and crafts. The Red Cross certified swim program expanded this year to well over forty resident children ages 3 to 14.

The town beach area at Scoby Pond was again staffed for the entire summer with local lifeguards. The aerobics and yoga classes for adults also continue to run. This winter the fire pond on Main Street is also being maintained for ice skaters thanks to help from local volunteers.

Completed goals include: A second parking lot next to the baseball field, a cleared playground area, two new soccer goals for the fall soccer league, spectator stands added to the baseball field, a second baseball practice area, revamping of the skate park (thanks to Bob Hunsaker and the local skateboarders), and a new website exclusively dedicated to the Rec Department.

Future and ongoing plans include: Completion of the playground area starting with a swing set when the snow clears this spring, modifications to the baseball field to make it compatible to Cal Ripken Baseball League standards, a new soccer field area, and we are floating around the idea of a covered skating rink.

We want to thank all the volunteers, the camp leaders and Francestown Sand and Gravel for all their efforts. The Recreation department relies on these folks to have successful programs. We are always looking for fresh ideas and will work with you to make them a reality. Our meetings take place the first Wednesday of each month at 7:00 pm in the basement of the town offices.

Respectfully submitted,

Francestown Recreation Department

2005 Public Assistance Administrator's Report

Having served as the Public Assistance Administrator since 1987, I leave the position as it is time for new ideas and a fresh outlook. I most certainly will make myself available to the person elected in sharing my knowledge and expertise and do encourage my replacement to attend workshops, get involved in the monthly meetings of the state-wide welfare administrators association and develop good working relationships with other area providers. The budgets have increased incrementally over the years but not to the levels as in surrounding municipalities. Keep in mind that Public Assistance is one of the few budgets that can be over expended, legally, by State law. The major problem facing most applicants is the lack of affordable housing in relation to income. Rents and mortgages have escalated and wages have not kept pace. The high cost of heating fuel and gasoline has only added to the expanded cost of living in the region.

Assistance is readily available but those in need must apply. Welfare officers cannot actively pursue potential clients on the hearsay of a caring neighbor. If you feel your neighbor is in need, encourage them to make application for town funding. Keep in mind that the application form is lengthy and information given must be verified prior to receipt of town assistance, unless it is an emergency. Do not wait until the last minute before making a call for help, as the process does take time. Most landlords, lenders and utility companies are willing to work with you and the Town. This office also has the obligation to direct possible clients to state and county programs for assistance. To check out available services, please contact the following organizations and ask about their eligibility requirements and programs that may serve you. **Social Security: 1-800-772-1213; Fuel Assistance, WIC, Food Stamps: 1-800-322-1073; Greater NH Alzheimer's Office at 1-800-750-3848; Monadnock Adult Care Center 924-8620 NH Bureau of Adult & Elderly Services 1-800-624-9700; NH Healthy Kids 1-877-464-2447; Pregnancy Resource Center 924-8788; Home Health Care: 1-800-541-4145; Alcoholics Anonymous: 1-800-593-3330; NH Helpline: 1-800-852-3388.** If one needs additional information or assistance in making application to these programs, I will gladly assist.

Thanksgiving baskets and gift certificates were made possible through the generous donations from St. Patrick's Church in Bennington and the Pacific Lodge of the Order of the Mason. No tax dollars/town funds have been used for holiday giving. For the long holiday season, the best part of year for me, after making sure client's children have presents, has been the home visits. This is not in the 'job description' but something developed over time to let folks know the Town is there for them. What years ago started as a visit to a few elder Francestonians who might appreciate a Christmas visit, has turned into visits to more than 30 households this year. Again, no town funds are spent. Francestown's program of holiday giving has been expanded to a short visit, a seasonal plant, home-made ornaments, delicious baked goods, etc. for those not only alone at this time of year, but also to reach out to residents who have suffered a loss of a loved one, or an illness, etc. This outreaching would not be possible without the selfless generosity of so many sharing in the spirit of seasonal giving. This year thanks go to the gentle men of the Pacific Lodge of the Order of the Masons, The Auxiliary to the Francestown Fire Department, The Cookie Club ((Diane Hanley, Rose Perry, Kathy Sanderson, Carol McKinney, Jackie Whipple, Chris Bell, Eileen Connor, Maureen VonRosenvinge, Katriona Beck, Judy Preston, Marilyn Barry, Carolyn Tripp), Kay & Tom Anderson, Susan & David Avery, The Crooker-Lunetta family, Carol Ireland, Jenny Fritz, The Leandri family, The Lindgren family, Henry & Linda Kunhardt, Becky Pellerin, Michael Petrovick, Shannon & Dan Turcott, Paul & Karen St. Cyr, Cindy St. Jean, Gary Schnakenburg, The Ray Wallace family and Theo Wheeler. These folks, both new and old to town, have pitched in to donate gifts, cash, cordwood, crafts, baked goods, and time to assist others. Although I leave the position, I very much would like to continue sharing in the holiday giving spirit for years to come. Thank you for allowing me to serve Francestown for all these many years.

Respectfully submitted,

BJ Carbee, Public Assistance Administrator

FRANCESTOWN CEMETERY COMMISSION

The fund raising from donations for the stone wall at Cemetery # 3 has been very supportive. Bids for the wall construction were advertised in April. James Rodrigues was awarded the contract, with the understanding final approval comes from Town Meeting before work commences, hopefully May '06. With the Selectmen's approval, the chain link fence was removed enabling Roblee Tree Services to remove numerous rotted stumps and invasive saplings. In accordance with RSA 289:4, a temporary barrier of stakes and line was installed to be replaced with the stone wall.

Drainage at the south corner of #3 middle section, and far boundary of the south section will be corrected in conjunction with the Highway Department's work on the 2nd NH Turnpike in Spring '06.

Kaufhold's repaired sixty-eight headstones and corner markers at the cost of \$2,920.00. Repairs are numerous as we are dealing with old and fragile headstones requiring expensive restoration.

All lanes in #3 were re-graveled by the Miller Brothers. Work was necessary due to wear over the years causing hazardous ruts and minimally visible lanes.

Under the leadership of Scott Carbee and Richard Cilley, a Memorial Day Service was held at #3. It was well attended by members of our community, veterans and the grade school children.

The large shed at the back of #3 is in need of repair. There is no foundation beneath the structure, allowing serious rot to develop causing cracks in the walls and roof line. Critters and weather have become rather invasive. This situation has been brought to the attention of our Selectmen.

Throughout the year, #3 had five committals, two memorial services and the sale of one plot.

Rules and regulations for our cemeteries are always available at the Town Office.

Respectfully submitted,

Betsy Wiederhold, Chair
Ethel MacStubbs
Linda Kelly

Vote for One

Stewart Brock 250

James Michael Harrington 50

Priscilla Putnam Martin 44

Write-ins – David Kullgren 1.

By Official Ballot:

Article 2. (Open Space Development)

To see if the Town will vote to replace Articles V and V-A, Cluster Option with a proposed Open Space Development and to amend related sections of the Ordinance as necessary, as proposed by the Francestown Planning Board.

The purpose of the proposal is to better define the open space development option and to provide clear guidelines for this land conservation-based method of land development including minimum specifications for roads, flexibility of lot design, and landscape buffers. If approved, this amendment will permit Open Space Development for single family residential dwellings, all other uses within an OSD will require a special exception from the Zoning Board of Adjustment.

YES 286

NO 72

By Official Ballot:

Article 3. (Wetland and Vernal Pool Conservation District)

To see if the Town will vote to amend Section 2-A.2 dealing with the Wetlands Conservation District and related sections of the Ordinance as necessary, as proposed by the Francestown Planning Board.

The purpose of the proposal is to bring the definition of 'wetland' into conformity with the definition in RSA 482-2:A and to provide a 100 foot building setbacks from vernal

pools and wetlands greater than 3,000 square feet in area to protect critical breeding and feeding habitat.

YES 286

NO 69

By Official Ballot:

Article 4. (Rules Governing Inspector of Buildings)

To see if the town will vote to amend Rules Governing Inspector of Buildings and Approval of Building Plans and related sections of the Ordinance as necessary, as proposed by the Francestown Planning Board.

The purpose of the proposal is to require building permits and thereby provide review by the building inspector for any swimming pool, athletic court, windmill, or any freestanding satellite dish, solar collector or communications antennae

YES 241

NO 115

CONTOOCOOK VALLEY SCHOOL DISTRICT

March 8, 2005

Results of school district ballot

1. Shall the Contoocook Valley School District appoint the salaries of the School Board and fix the compensation of any other officers or agents of the District as follows: School Board Chair, \$700; each member, \$500; Treasurer, \$2,000; Moderator, \$100; School Board Clerk, \$70 per meeting?

YES **244**

NO **103**

2. Shall the Contoocook Valley School District accept the reports of Agents, Auditors, Committees, and Officers chosen?

YES **234**

NO **49**

3. Shall the Contoocook Valley School District raise and appropriate as a gross operating budget, not including appropriations by special warrant articles and other appropriations voted separately, the amounts set forth on the budget posted with the warrant for the purposes set forth therein, totaling \$38,974,512? Should this article be defeated, the default budget shall be \$38,442,200 which is the same as last year, with certain adjustments required by previous action of the Contoocook Valley School District or by law, or the governing body may hold one special meeting, in accordance with RSA 40:13, X and XVI, to take up the issue of a revised gross operating budget only.

YES **196**

NO **150**

4. Shall the Contoocook Valley School District 1.) raise and appropriate the sum of up to \$50,000 to be added to the Contoocook Valley School District Building Capital Reserve Fund, as previously established pursuant to the provisions of RSA 35:1-c; and 2.) authorize the transfer of such amount from the year-end undesignated fund balance available on July 1, 2005? (This amount represents up to \$50,000 from the June 30, 2005 general fund surplus.) (The ConVal School Board designates this article as a SPECIAL warrant article and RECOMMENDS adoption of this article.)

YES **218**

NO **126**

5. Shall the Contoocook Valley School District 1.) raise and appropriate the sum of up to \$50,000 to be added to the Special Education Trust Fund, as previously established pursuant to the provisions of RSA 198:20-c, and 2.) authorize the transfer of such amount from the undesignated fund balance available on July 1, 2005? (The ConVal School Board designates this article as a SPECIAL warrant article and RECOMMENDS adoption of this article.)

YES **208**

NO **133**

6. Shall the Contoocook Valley School District 1.) approve the cost items included in the collective bargaining agreement reached between the Contoocook Valley School Board and Contoocook Valley Education Association, which calls for an increase in salaries and benefits:

YEAR	ESTIMATED INCREASE
05-06	661,558
06-07	908,547
07-08	1,004,308

and 2.) raise and appropriate the sum of \$661,558 for the 2005-2006 fiscal year, such sum representing additional costs attributable to the increases in salaries and benefits over those of the appropriation at current staffing levels?

YES **186**

NO **156**

7. Shall the Contoocook Valley School District, if Article 6 is defeated, authorize the Contoocook Valley School Board to call one special meeting, at its option, to address Article 6 cost items only?

YES **235**

NO **100**

8. Shall the Contoocook Valley School District 1.) establish an expendable trust fund under the provisions of RSA 198:20-c, to be known as the Athletics/Co-curricular Fund, for the purpose of supporting athletic and co-curricular programs; 2.) to designate the trustees of the Trust Funds of the Town of Peterborough as custodian of the Trust Funds and 3.) to designate the School Board as agents to expend the Trust Funds? (The ConVal School Board designates this article as a SPECIAL warrant article and RECOMMENDS adoption of this article.)

YES **232**

NO **110**

Total number of voters 370.

Pursuant to RSA 39:2a and the vote of the Annual Town Meeting in 1979, you are hereby notified the second session of the annual meeting of the Town of Francestown will be held at the Town Hall on Saturday, the Twelfth day of March next, at ten of the clock in the forenoon, at which time the town will act on the following subjects.

Resolution

Be it resolved that the citizens of Francestown extend their thanks and appreciation to Bernice Miller for the 9 years she served as Trustee of Trust Funds, the 20 years she served as Supervisor of the checklist, the numerous years she served as President and Secretary of the Francestown Academy and the years she drove the school bus for the grade school children in our Town, and further that a copy of the resolution be forwarded to the family of Bernice Miller by the Town Clerk.

Article 5. (Bond) (By Ballot)

Motion made by Mary Lindstrom to see if the Town will vote to raise and appropriate the sum of One Million Dollars (\$1,000,000.00) for the acquisition of conservation easements or open space lands by the Town, all for the permanent protection of appropriate natural land in the Town of Francestown. the suitability of such land to be determined by the Conservation Commission using their evaluation procedure adopted in 2004, and to authorize the Selectmen and Conservation Commission to act on behalf of the Town in connection with such acquisitions of conservation easements or open space land pursuant to NH RSA 36-A, and to further authorize the issuance of One Million Dollars (\$1,000,000.00) of bonds and/or notes in accordance with the provisions of the Municipal Finance Act (NH RSA, Chapter 33) and to authorize the Selectmen to issue, negotiate, and regulate such bonds and/or notes and to determine the rates of interest thereon: such bonds shall have a term of maturity of not less than 20 years, or take any other action relating thereto;

Seconded by Scott Carbee

Polls opened at 10:50 AM and closed at 12:06 PM.

A separate sealed ballot box was used for the secret ballot.

Vote yes 264 - Vote no 44. Total votes 308 – 2/3 of present and voting needed for passage (205), passed in excess of a 2/3 vote.

Article 5 carried.

Motion made by Alison Hersey to restrict reconsideration of Article 5.

Seconded by Sarah Pyle.

Motion to restrict reconsideration of Article 5 Carried.

Article 6.

Motion made by Clayton Foote to raise such sums of money as may be necessary to defray town charges for the ensuing year and to make appropriations for the same.

Seconded by Paul St. Cyr
